BARN

EASY CLIP™ SOFT CLOSE HARDWARE

This hardware is designed to be mounted to the back of an existing Barn Door flat track. The left and right sided hardware are each mounted at the ends of the track to provide soft close and soft open operation of the door.

- Low profile attachment is concealed behind the track and does not affect the look of your hardware
- Kit includes 2 Easy Clip Soft Close attachments for both ends of your track to open and close quietly and effortlessly
- Installs in minutes to most flat track barn door kits.
- Mounts directly to your previously installed hardware
- On 18" Biparting doors, the Easy Clip Mechanism can only be used to either soft open or soft close
